The Oct. 6th, 2022 meeting of the North Lawrence Fish & Game Retirees Club was called to order by President Jeff Barnhart. Frank Burket led the Pledge of Allegiance for 28 members. He also spoke of Glenn Graham's passing and a moment of silence was observed. The club will be restarting the winter Turkey Shoots December through January with the Tuslaw Community Group. Trap will be moved to Sundays from Wednesdays supervised by Rick and Larry.

There was much discussion of the improvements and rebuilding of the pistol range. Much gratitude is extended to Frank and Ed. They did a great job! Range security and courtesy were discussed along with target stands. Talked about "If you bring your own ammo you can bring your own target stand." There will be no shooting targets on the ground and that can be liable for expulsion. Club security because of vandalism was also discussed.
