

# **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**FEBRUARY 2, 2023**

The February 2, 2023 meeting of the North Lawrence Fish & Game Senior Club started at 9:00 A.M. with our celebration of Groundhog Day with a wonderful biscuit and gravy breakfast prepared by Rich and Mike. Our thanks to the kitchen staff. At 10:00 A.M. the meeting was called to order by President Jeff Barnhart with the Pledge of Allegiance. Gary Kreider after prayer requests offered prayer and a few words of inspiration to 37 members. Frank spoke on the club's membership renewals. Gary spoke on club finances and questions were answered from those that were in attendance. Mike submitted the financial statement from the senior club. Jeff made the request for Youth Day volunteers for June 11, 2023.

The response to Show and Tell was excellent with a very large number of displays of knives. Next month's Show and Tell will be something old.

Following the meeting the indoor pellet gun range was open for competition. After many excellent submitted targets there was a discussion on who won. The winners were the members who participated.

Minutes recorded by Acting Secretary, Garland Parsons
