

# **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**MARCH 2, 2023**

The March 2, 2023, meeting of the North Lawrence Fish & Game Senior Club was opened by President Jeff Barnhart calling to order and leading the Pledge of Allegiance. An opening prayer and works of inspiration was offered to 21 members.

Frank spoke of the M1 Rifle and Carbine Raffle. He also spoke of the dangerous safety violations that are occurring on the shooting ranges. Careful consideration of all aspects of this problem will be explored.

The Club will be setting up a table at the April meeting of the Stark County Gun Collectors and volunteers will be welcomed to help maintain it. The trap range will be open Sunday. All proceeds from the raffle of firearms will go to the maintenance and improvement of the shooting ranges.

Gary gave the club's financials and the club is fine going into the year, but careful spending will be necessary. Mike Passalacqua read the Senior Club finances and it is fine. Mike also received applause for the fine breakfast of biscuits and gravy he provided at the Groundhog Day event last month.

Show and Tell was a wonderful success. It was a gun show at your club's monthly meeting. Next month's show and tell is shotguns, the older the better. Our marksman for the Groundhog Shooting Event was Ed Meracle.

Minutes recorded by Acting Secretary, Garland Parsons
