

MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB

SEPTEMBER 7, 2023

To an almost full room of the Sept. 7, 2023, meeting of the North Lawrence Fish & Game Senior Club was opened with the Pledge of Allegiance by President Jeff Barnhart. Following was a prayer by Chaplain Gary Krieder remembering past members, our country, club members and those that are volunteers.

Frank then spoke of the house upgrades, air conditioning, heating, water conditioner and many of the utilities. Regrading was necessary to change water flow. The house is now livable and a suitable tenant has been found.

The treasurers' reports were both good and we must thank Gary and Mike for all their work. Frank also mentioned that all members should have an emergency phone number on their membership application and a contact person in case of accident.

Show and Tell was air rifles and Bob spoke on the evolution of air rifles for hunting and the necessity of air rifle use in the United Kingdom. Next month's Show and Tell is anything. Also, the club's food drive will start next month. Bring a few cans. The club's 50/50 drawing was donated to the doughnut fund. Following the meeting was trap shooting and a Hawaiian trip show.

Minutes recorded by Temporary Acting Secretary, Garland Parsons
