

## **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**MAY 2, 2024**

Chaplain Gary Kreider opened the May 2, 2024 meeting to 22 members with the Pledge of Allegiance. An opening prayer by Gary was given for the club, its members and our country.

Frank addressed the impending land erosion problem in the drainage ditch or creek that is eroding its banks before the water enters the lake. The photos showed allowed members present to view the necessity for the future repair of the problem.

There was also the needed replacement of the Toro mower with a replacement that is more reliable and cost effective to operate. There is the completion of the 25 yard range and repair of the side of the pistol range. These and the parking lot with many other projects are necessary to continue the many improvements that have contributed to the club's well-being.

On June 9<sup>th</sup> the Dennis Carl Memorial 18<sup>th</sup> Annual Youth Outdoor Day will take place. Please check the website and volunteer to make this event a success.

A special thanks to all the members and officers who have volunteered and given their time. There is a need for more participation of the membership, to attend meetings and volunteer for events and club activities.

Next month's Show & Tell on June 6 is to bring in a custom built firearm you have or your favorite gun.

Minutes recorded by Temporary Acting Secretary, Garland Parsons
