

# **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**SEPTEMBER 5, 2024**

To an almost full room of 33 members, President Jeff Barnhart opened the Sept. 5, 2024 meeting with the Pledge of Allegiance. A prayer was offered by the club's chaplain, Gary Kreider, remembering the nation, club members, officers, and volunteers.

The target stands in the future will be assembled from one inch pipe instead of  $\frac{3}{4}$  inch pipe. There was much discussion on the excellent condition of the lake and the summer improvements.

Recognition was given to Mike for the many years of being the club's treasurer and financial officer. Mike then talked about extreme target rifles and his many years and experiences on the target range.

Jack brought in a 75 year anniversary Ruger 22 cal. M-1 carbine. Jack is 75 years old, so he thought it an appropriate purchase. Raffle tickets are available for Army rifle or carbine ammo. Check at the clubhouse.

A special thanks to those who have volunteered for club officers, maintenance, activities and events. Please remember meeting attendance. Be sure to inquire at the club office about the new club logo hats and coffee cups.

Next month's senior meeting is Thursday, October 3, 2024, and Show and Tell is homemade or Bowie knives.

Minutes recorded by Temporary Acting Secretary, Garland Parsons
