

MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB

MARCH 6, 2025

To an almost full room the monthly meeting was opened by Chaplain Gary Kreider. After the Pledge of Allegiance a prayer was offered to the Easter holiday and the reason for Lent. A prayer was also offered for the club's members, officers, volunteers, and those in ill health.

Announcements were made of the Copley Sportsman's Club Wild Game Dinner and Stark County Collectors Show coming up. Information can be found online. There were many edged weapons and tools displayed. Next month's show and tell will be American Indian (Native American) items. Next meeting is on April 3, 2025.

The new membership cards were distributed to members that were present. You can receive yours at the membership meeting. Remember the sale of logo caps and coffee cups and schedule your time to volunteer and attend meetings.

Minutes by Recording Secretary, Garland Parsons
